## CAPABILITY STATEMENT

Founded in 2004, Collectable Sign and Clock is a privately held small business located in Mesa, Arizona. **We manufacture custom LED lighted clocks.** Our USA made, 14-inch LED lighted clock features a clear outer lens, an injection molded body utilizing photographic quality digital printing. We have extensive experience developing logos and images into original clock designs. Our backlit or lighted clocks and signs have a look and feel of a bygone era with all the modern technology from the 21st century.
